
Intellus can help you:

- Find OER and Library resources quickly and easily
- Seamlessly integrate with your LMS
- Find out what resources your students are/aren’t accessing
- Replace or supplement textbooks
- Create just-in-time lessons
- Adjust teaching content based on real-time feedback.

To access Intellus, please follow the instructions in the “Welcome to Intellus” Email or visit https://valleycollege.intelluslearning.com and choose “Forgot Password” to reset your password using your San Bernardino email address. If you have questions or need assistance, please email support@intelluslearning.com.
